

**COMMUNITY REPRESENTATIVE ENGAGEMENT LETTER**

I, ..... commit on my free will to represent the residents of ..... village in the resettlement project planned in the cell of .....

I commit to working with determination without putting my interest above the community's interest.

I commit to behaving with integrity throughout the duration of the project.

I pledge to avail between the month of April and August on the days planned for the activities and meetings (approx. 6-8 days) and support in the following activities:

1. Understand and commit to supporting the achievement of process objectives, scope, and proposed activities.
2. Represent the interest and voice of all the community members in/around the project area;
3. Actively participate in the participatory activities with a constructive attitude and for the aim of common benefit.
4. Support mobilizing the larger community, if requested, for public information sessions, and use the community communication channels.
5. Support the promoters in workshop organization, if requested.
6. Act as a liaison between the community and the promoters (CoK, Skat, UN-Habitat), and inform promptly if any issue or barrier would arise.

I understand that this is a volunteer activity which benefits my village and there will be no rewards or compensations provided.
